We see no ground for reviewing the judgment and a review petition cannot be equated to a petition for rehearing of the matter. We have not stated anything against the petitioner in the judgment under review. Second and third sentences are only submissions of the Govt.Pleader and that observations are made by us. We only stated that investigation of crime registered against the petitioner should be according to law and he should not be harassed. This judgment requires no review. No grounds are made out for reviewing the judgment and hence this review petition is dismissed.
